"I think Ripans Tablets about the best thing there is," said the Colonel; "I guess they are THE best! I was sitting the other evening smoking and drinking a little whisky and water; there were four of us there and one complained of being very uncomfortable. When he had told us about it I said to him, 'all that ails you is indigestion,' and I gave him a Ripans Tablet from a little vial I had in my pocket. We each of us took one, and since then I have learned that every one of the three has bought the TABLETS and thinks them the greatest things there are a going."
