Mr. King thought it proper that the speech of the Senster from Delaware should be understood not to be in the character of a report from the committee.

Mr. Phelps said the remarks of the Senster from Delaware were so to be understood, and not as a report which had been agreed upon in committee. They had not been submitted to committee. They had not been submitted to him, and he reserved to himself the right of expressing his own views and in his own way, on the bill to which he had given his assent in committee. He believed it was the only way of settling. He believed it was the only way of settling the question at present, for reasons which he should give at length hereafter.

In the House-The Civil Appropriation bill was discussed. The clause appr was discussed. The clause appropriating \$1500 to the improvement of the Sasannah river, was negatived by a vote of 787 to 100.

Mr. Turner forthwith moved a reconsideration.

Mr. Petitt moved to be she motion on the table, which motion was decided in the negative.

Mr. Petitt then asked why Whige had world against this amendment? Mr. Gentry replied.
