MODELY SOURCES, PRODUCTION OF THE PROPERTY OF T

this highly spoken of exhibition opens this evening at the Armory Hall. In our exhange papers we have frequently seen very This highly spoken of exhibition opens this sevening at the Armory Hall. In our exchange papers we have frequently seen very fattering commendations of its artistic and mechanical merits. We shall take an early opportunity of judging for ourselves; in the mean time we appead the following, from the Montreal Advertiser:

Greal Altraction.—The panorams of the Russian war continues to draw full and bashotable audences, which is of itself an evi-bitable audences. Which is of itself an evi-bitable audences which is of itself an evi-bitable audences.

By Telegraph.

The following we find in the Moonie papers of Sunday:
Nxw Yoak, Feb. 8.—The following is the official despatch from the French Ambassador at Vienna to the Minister of Foreign Affeirs at Paris.
Prince Esterhazy announces that he has received from Neassirode his acceptance, pure and simple, (the words of our despatch) of the ultimatum offered to Russia, which will become the basis of an immediate convention to conclude a treaty of peace.

to conclude a treaty of peace.

FROM WASHINGTON.—Washington, Feb. 7.—
The Senate has adopted a resolution directing the Finance Committee to report bills for the general appropriations. The Senate has adjourned until Monday next.

In the House, the election for Printer has been postponed, and the Speaker authorized to appoint some person to act in the interim.
The Committees have all adjourned until Monday.

his sovereign initiative, to these mean or able, under any pretext whatever, under any form of protectorate, to interfere in the question of the internal administration of the Principalities; they shall adopt a definitive permanent system, demanded by their geographical position, and no impediment can be made to their furtifying, in the interest of their safety, in such manner as they may deem advisable, their territory against foreign aggression.

ty, in such manner as usey may teems as divisable, their territory against foreign aggression.

suchange for the strong places and territories occupied by the Alfiel armine, Russia consents to a rectification of her frontier with Turkey in Burope. It would commence is the vicinity of Chotym, follow the line of the mountains, which extend in a Southeasterly direction, and terminate at Lake Sasik. The late (trace) shall be definitely regulated by the general treaty, and the conceded territory would return to the Principalities and to the suscrainty of the Porte.

H—DARKEE.

The freedom of the Danube and of tis mouths shall be efficaciously secured by European institutions, in which the contracting Powers shall be enforced only secured by European institutions, in which the contracting Powers shall be equally represented, except the particular positions of the lords of the soit on the banks (dee riceransis) which shall be regulated upon the principles established by the act of the total contracting powers and it was the right to keep one or two small vessels stationed at the mouths of the river, destined to assaure the execution of the regulations relative to the freedom of the Danube.

WASSELSOTON, Feb S, 1966.

ANY REPORTED OF THE STATE OF TH Mr. Aiken is perhaps the most bland, com Mr. Alken is perhaps the most bland, complete the basis of an immediate convention to conclude a treaty of peace.

From Warsistrom.—Washington, Feb. 7—
The Senste has adopted a resolution directing the Finance Committee to report bills for the general appropriations. The Senate has adjudined a resolution directing the Finance Committee to report bills for the general appropriations. The Senate has adjudined until Monday next.

In the House, the election for Printer has been postponed, and the Speaker authorized to appoint some person to act in the interim. The Committees have all adjudined until Monday.

Wassizorron, Feb. 8.—The Hon. Lewis Case fell this morning from the steps of the Patent Office: he was severely injured, but, it is thought, not dangerously so.

A good deal of excitement has been created.

A good deal of excitement has been created.

to the House in a very neat and appropriate
A good deal of excitement has been created
by the announcement brought by the Arabie
that Russia has consented to negotiate on the
hasis of the propositions submitted to the
Cabinet of St. Petersburg through Count Exchraixy. It will be useful to recall to the
recollection of our readers what these propositions were:

1—DANUEIAN PRINCIPALITIES.

Complete abolition of the Russian protectcrate. The Daugutain Principalities shall reterrite. The Daugutain Principalities shall reand the past, may it never become
to the House in a very neat and appropriate
Mr. Stanton, of Ohio, then submitted a respect to the Cabinet of St. Petersburg through Count Exthe House then, after a laborious session
at 7 o clock. And so ends the great, the
recollection of our readers what these propositions were:

1—DANUEIAN PRINCIPALITIES.

Complete abolition of the Russian protectcrate. The Daugutain Principalities shall reprecedent in the past, may it never become
a precedent the past, may it never become
a precedent the resulter.

Mr. Stanton, of Ohio, then submitted a respect to the content as the content as without
precident of the past, may it never become
a precedent the resulter.

Mr. Stanton, of Ohio, then submitted are
submitted as unanimously agreed to, and well
learn that Dr. R. A. Goodle, of Cambrings, Mass., has
submitted upon the Library and Lyosum to give
a course of Lectures on Astronously and other
