EXT. - A LOCAL MOVIE THEATRE - NIGHT

An OLD MAN and a YOUNG MAN walk out of a movie theatre. The young man appears full of energy and curiosity, while the old man appears reserved and full of wisdom.

As they walk, the young man notices a movie poster of the film they just saw and stops. He motions toward it with his head.

YOUNG MAN

That was a great movie... but there's one thing I just don't understand.

OLD MAN

Hmm, what's that?

YOUNG MAN

I, I just don't understand how anyone can be seduced by the Dark Side.

The old man looks away briefly as he considers the thought. He looks back at his companion.

OLD MAN

What kind of computer do you use at home?

The young man answers quickly and emphatically.

YOUNG MAN

A Mac!

The old man nods his head slightly in acknowledgement.

OLD MAN

And what kind of computer does your father use at work?

The young man looks puzzled for a moment as he thinks, then smirks. He understands. The young man looks directly his wise companion and nods.

YOUNG MAN

Seduced by the Dark Side!

The old man smiles, a reward for his accomplishment. He puts an arm around his young companion as they begin to walk down the street.

FADE TO BLACK.
